

Dear Great Barr Academy,

FREE HOLIDAY ACTIVITY WITH FOOD PROGRAMME 2019

As requested please find attached flyers for your pupils. Please could you distribute to parents and young people who would benefit from free activities with meals this summer, including all your pupils eligible for Free School Meals.

There are 218 HHH club sites across Birmingham to ensure pupils can access clubs locally. Where needed, please support your pupils and parents identifying their most suitable clubs and register online. Contacting clubs directly for individual programme details is recommended.

Thank you for your support, and we hope that we offer your young people a very Happy Healthy Holiday this summer.

Kind Regards,

The Happy Healthy Holidays Team
