

EBACC Evening 25th February 2020

Dear Parent/Carer,

Your child has been identified as a potential high achieving EBACC pupil! As part of our programme of advice and guidance we would like to invite you to a special EBACC information evening on Tuesday 25th February 2020 at 6:00pm in the Great Hall. During the event I will be talking about the importance of high aspirations, the EBACC subjects that we offer at Great Barr and the advantage that those subjects can give your child Post 16. We are also very fortunate to have two of our ex-pupils returning to talk to you and your child about how EBACC subjects helped them to achieve their own personal aspirations. There will also be a languages café where our GCSE Languages pupils will serve a variety of snacks from around the world. Careers advice staff will also be on hand to answer any questions you may have.

At Great Barr Academy we want every child to achieve to their full potential to give them the widest possible choices post 16. We also believe that our students are much more able than they sometimes believe themselves! It is our aim to support our students to compete against others for the top university and apprenticeship places in the country. This meeting will help you to understand more about how your child's curriculum pathway can help them to achieve this.

You have received this letter because your child is identified as an able learner. Your attendance at this event is crucial in ensuring we support progress and achievement for your child. We would be grateful if you could indicate your intention to attend this meeting by completing the form below and returning it to the Student Hub by Friday 14th February.

Yours sincerely,

Mrs M Hunt

Assistant Head Teacher – Curriculum
