

14 February 2020

Dear Parents/Carers

Firstly, I would like to extend our thanks to you for supporting the school during a difficult period when buildings were damaged due to extreme weather events.

As I know you will agree, the safety of students and staff is the highest priority, which is why we had to take the decision to both close and restrict access to the site this week.

Work has already started in order to ensure the site is safe for all students and staff.

The current plan is that we will re-open to all students and staff on Monday 24th February 2020, which is the start of the new half term. There will be some scaffolding around the site as part of the remedial works.

If these arrangements and plan change, we will notify you via text and the website as soon as we are aware and by the latest at the end of Friday 21st February 2020.

Thank you for your continued support.

Yours faithfully

Mr A Williams
Acting Headteacher
