Dear Parent, Carer

I wrote to you on Saturday and want to now give you an update on the current situation regarding the school buildings.

Extensive work is still taking place based on the erection of scaffolding around the site, which is both large scale and complex. We plan to be fully operational and, therefore, the school building being fully open, from Monday 2nd March 2020. This week we are having to manage the site as each day goes by taking account of the remaining work and some poor weather conditions.

Year 11 remaining exams

Please see below the running order of exams for Year 11 for the remainder of the week. It has not been possible to accommodate Year 11 in the usual classrooms given the ongoing structural damage to the school building. The expectation is that all students come in for morning exams at 8:55 as usual, but then leave the academy site when all their exams for the day have finished. The time off site should be spent completing independent revision ready for further exams and their subjects in general.

We thank you for your ongoing patience and support with this issue. I would like to assure you we are working tirelessly with building contractors to complete the work required following the damage from the storm.

Yours faithfully
