

Friday 3rd April 2020

Dear Parents and Carers

Thank you very much for all the feedback we have received regarding the work that has been provided for your children. There have been some excellent examples of work that has been completed across all year groups. We will be rewarding and celebrating this excellent work in the coming weeks.

We would like to remind you that teachers are available to support students during school hours Monday to Friday. Please be aware that teachers are also managing their own families and large numbers of students so may not be able to give an immediate reply to an email or Microsoft team queries, they will not be replying during the evening or at weekends. Could we also ask you to remind students that they should only use Microsoft teams to discuss their work not for social chatting.

From today at 3.15 the Easter Holidays begin, staff will be taking a much needed break to recharge in readiness for supporting students from Monday 20th April. We encourage students to do the same. This is an anxious time for us all and it is important that our young people have time to recharge too.

Next term we will be sending out a parent guide of things that you can do with your children or that they can do independently that will help them to continue learning away from the classroom. With this letter is a parent bulletin which includes some useful links that will support learning, safeguarding and mental health.

If you have any queries please get in touch with us via the following e-mail address.

Secretariat@Greatbarr.bham.sch.uk

Thank you for your continuing support.

Kind Regards

Mr A. Williams
